64th ANNUAL CONFERENCE OF INDIAN SOCIETY OF HAEMATOLOGY & BLOOD TRANSFUSION

2ND - 5TH NOVEMBER 2023

Dear Members and Friends,

It gives me great pleasure to welcome you to **Haematocon-2023, the 64th Annual Conference of Indian Society of Haematology and Blood Transfusion (ISHBT)**, which will be organised in **Bhubaneswar, the capital city of Odisha state**, from **November 2 to November 5, 2023**.

Bhubaneswar, the capital of Odisha - also known as Temple City - is in itself a unique amalgamation and continuity of the glorious culture and past heritage of not only the state but also the country as a whole with modernity and development. This setting, in fact, perfectly correlates with the field of Haematology which while keeping with the basics has witnessed profound advances in understanding of blood diseases, adopting technological advances and bringing futuristic innovations.

Blood diseases account for a major chunk of public health burden in India and across the globe. The governments at the centre and state have initiated various programmes at their level for prevention, management and control of blood diseases, but there are miles to go in ensuring proper care reaches all.

Indian Society of Haematology and Blood Transfusion, the apex body of haematologists in India, has thus taken the lead to play a proactive role in not only education and therapeutic interventions but also helping governments, policy makers and other stakeholders to shape policies and strategies for dealing with the public health issues. It has also gained fame globally as a premier organization in the field.

The 64th Haematocon-2023 also sets a new chapter as it is for the first time being organised directly by the ISHBT and not through the regional chapters. The conference promises to be a productive and stimulating event as it will bring together the best in the field from India and abroad. While focusing on expanding the horizons of Haematology in education, medical practice and emerging issues in the country, it will provide a platform for a conglomeration of ideas and knowledge. This will also provide an unmissable opportunity to the young and budding haematologists to learn from eminent national and international faculty and upgrade their skills.

The event is being designed to provide exciting and productive involvement for each and every participant.

I invite you all to join the conference and make it a great success.

Dr. R K Jena

Organizing Secretary

64th ANNUAL CONFERENCE OF INDIAN SOCIETY OF HAEMATOLOGY & BLOOD TRANSFUSION

2ND - 5TH NOVEMBER 2023

HIGHLIGHTS OF HAEMATOCON – 2023

- ISHBT - ASH Joint Symposium
- ISHBT – EHA Joint Symposium
- Joint Session: Implementation of National Health Programme of Blood Diseases in the existing Healthcare system; Challenges and Solutions: Expert, Policy Makers, ICMR, Patient Groups, Sick Global Network, Etc
- ISHBT – Law Session: Scope of Law and Fundamental Rights vis-à-vis Healthcare System
- ISHBT Education Session
- Case Based Discussion
- ICH – FOGSI Session
- ICH – Indian College of Physicians Session
- National Haematology Quiz among Postgraduates
- Industry Symposium: Career Opportunity, Professionalism, Ethical Issue,
- Corporate Politics: Industry People, Medical Profession, Regulatory Agencies
- Workshops
- Meet the Expert Session
- Public Awareness Programme
- ISHBT Advocacy with Policy Makers, Research Agencies and Industry People
- Patient Awareness and Benefit Programmes
- Emerging Concepts and Therapy

TOPICS TO BE COVERED

Sickle Cell Disease, Thalassaemia, Anemia, Iron Overload and Chelation, Platelet Disorders, Hemophilia, Immune-hemolytic Anemia, Allo-antibody, Transfusion Medicine, Bone Marrow Failure Syndrome, Leukemias, Lymphomas, Plasma Cell Disorders, Myeloproliferative Neoplasm, Lympho Proliferative Neoplasm, Myelodysplastic Syndrome, HSCT, CAR-T Cell Therapy, Cell Therapy, Case Based Discussion in Diagnostic and Clinical Hematology & Hemato-oncology, Diagnostic Hematology, Molecular Hematology, Cytogenetics, Immuno-histo Chemistry, Recent Advances, Debate, Controversies, Newer Molecules, Evolving Concept etc

64th ANNUAL CONFERENCE OF INDIAN SOCIETY OF HAEMATOLOGY & BLOOD TRANSFUSION

2ND - 5TH NOVEMBER 2023

Abstract Guidelines

Haematocon 2023 Scientific Committee welcomes all delegates to submit their abstracts of original work for oral and poster presentation for the **64th Annual Conference of the Indian Society of Haematology and Blood Transfusion-Haematocon 2023**.

Abstract submission is open now, with a deadline of 31st August 2023. All presenting authors must register for the conference to have their papers included in the scientific program.

Register today to secure your place at HAEMATOCON 2023 and take advantage of this unique opportunity to expand your knowledge, gain new skills, and connect with other professionals in your field.

THE SELECTED ABSTRACTS WILL BE PUBLISHED IN THE SUPPLEMENTARY ISSUE OF THE INDIAN JOURNAL OF HEMATOLOGY AND BLOOD TRANSFUSION.

Instructions for submitting the abstracts:

- First Author has to be registered for Haematocon 2023 to be eligible to submit the abstract.
- Haematocon 2023 registration receipt has to be attached along with the abstract submission.
- The abstracts must contain original content which is not published prior to this conference.
- Abstracts must be submitted and presented in English language only.

64th ANNUAL CONFERENCE OF INDIAN SOCIETY OF HAEMATOLOGY & BLOOD TRANSFUSION

2ND - 5TH NOVEMBER 2023

Abstract Guidelines

Submit your abstracts through the official website at **www.haematocon2023.com**

Create a username and password to login to the submission site.

Abstracts should not exceed 350 words and should be typed in the box provided on the online submission page.

To ensure a well-structured and organized abstract, please include the following sub-headings in your submission:

For original research work

- o Introduction
- o Aims & Objectives
- o Materials & Methods
- o Results
- o Conclusions

For case report

- o Background
- o Case presentation
- o Diagnosis
- o Treatment
- o Follow-up
- o Conclusion

64th ANNUAL CONFERENCE OF INDIAN SOCIETY OF HAEMATOLOGY & BLOOD TRANSFUSION

2ND - 5TH NOVEMBER 2023

Abstract Guidelines

- Ensure the accuracy of your abstract submission: Check for spelling, grammatical, and scientific errors before submitting, as no corrections will be accepted after the deadline. HAEMATOCON 2023 is not responsible for errors in the abstract submission and will publish them exactly as submitted.

Last Date of submission: 31st August 2023

Results to be announced: 15th September 2023
